- *Dinosaurs Roar, Butterflies Soar* by Bob Barner is a nonfiction picture book (available on TumbleBook Library) that is longer than an average storytime book (7 minutes), but is a great one to read and watch for more information about dinosaurs.
- Find dinosaur activities and crafts for pre-K in the Scholastic Teachables database through the MGPL website. Visit mgpl.org/databases, follow the Scholastic Teachables link, search for Dinosaurs, and select Pre-K.)
