### **LIBRARIAN'S REPORT**

**January 2026**

**Pam Leffler, Executive Director**

### **Administration**

#### **Personnel**

- Facilities Assistant Ganka Kuneva remains out on medical leave. We are moving forward with hiring a permanent part-time evening Facilities Assistant and will be getting temporary custodial help until Ganka's return.
- The Library Board of Trustees began the interview process for the new Executive Director and hopes to have the new director in place by the end of March. My final day will be April 17, 2026.
- Other personnel news can be found in the Department reports.

#### **Automation & Technology**

- OSG, with onsite assistance from Business Manager Leighton Shell, as necessary, continues routine and general maintenance of our computers and other automation systems.

#### **Legal/Financial/Policy**

- On January 30 we finally received a good portion (though not all) of our 2<sup>nd</sup> installment tax receipts. This came after a lot of telephone calls and emails between various municipal library directors and Cook County staff, including Maria Pappas. Cook County assures us that the problems are being resolved and that this type of issue will not happen in the future (see your packets for the email from Maria Pappas to municipal library directors). I remain hopeful but still skeptical and will continue to closely monitor our income and expenses.
- We have been working with Sikich to prepare for the Library's annual audit.

#### **Facilities**

- Renovation of the multi-stall bathrooms is essentially complete. We are still waiting on a few punch list items (door handles, issues with fan noise, and temperature control) to be taken care of but hope to have the newly renovated restrooms open to the public by mid-February. Installation of new carpet in the Baxter Auditorium is complete and looks great, if I do say so myself!
- The Garaventa lift in the Baxter Auditorium has been repaired, though I still have concerns about the long-term viability of the lift as a reliable way to provide access to the room for those with mobility issues. repair.

- SMC will be doing an updated facilities assessment in early February.
- With funding apparently restored, we are moving forward with security camera installation (see your packets for more information)
- Additional information on the building and grounds can be found in the report by Facilities Manager, Tim Murphy.

### **Programming**

This month, we had 21 programs with a total of 331 attendees.

We kicked off the year with our annual Luminaria Display, in which more than 60 patrons stopped by to find the luminaria they had decorated and to enjoy the full display of positive affirmations. This event has consistently drawn enthusiastic participants, even in challenging weather. With this being the final year, it was especially meaningful to see the community come together to celebrate it once more.

With the Baxter Auditorium unavailable for in-person programs this month, we selected a variety of online offerings we believed would be of interest to our patrons. Overall, the programs saw solid participation, indicating there is still an interest in online programming. It was no surprise that Thrifty & Tidy: 10 Easy Ways to Save Money had good attendance, but we were pleasantly surprised by the strong turnout for the Project Management program, which was presented in collaboration with other libraries.-person programs this month, we selected a variety of online offerings we believed would be of interest to our patrons. Each year, U.S. History students at Maine East High School complete a major project for National History Day. This year, MEHS librarians invited local libraries to collaborate on a mobile maker space and support students as they created their poster boards. Morton Grove contributed our die cut machine, three bins of dies, and a Cricut machine with a laptop.-cut machine, three bins of dies, and a Cricut machine with a laptop.

Brenda and Cailyn assisted students throughout the day. At the die cut station, students enjoyed turning the crank and watching their designs roll out, and many used the time it took to cut their project titles to chat about their topics and learn about additional services available at the library.-cut station, students enjoyed turning the crank and watching their designs roll out, and many used the time it took to cut their project titles to chat about their topics and learn about additional services available at the library.

While there were a few logistical kinks typical of a first-time event, the experience was very successful. We look forward to continuing our partnership with Maine East High School on future maker space initiatives.

## MGPL Youth Services

### January 2026 Report

Courtney Schroeder, Youth Services Manager

#### **Programming**

In January we held 49 programs for 1394 people.

When the **Winter Reading Program finished** at the end of the month, we had 353 kids signed up, which is a record for us (last year we had 299 kids signed up, and THAT was also a record). It's encouraging to see so many kids excited to participate and earn a book they can keep.

This month we brought our popular **Dungeons & Dragons** program back, hosting 6 kids to play. It's been exciting to see how engaged the attendees have been. This is a program that brings in a different demographic than our typical audience for programs, which is why it's so encouraging to see them in attendance. The program host commented:

*"The kids had so much fun today! Their goal was to save the mayor's kidnapped dog and had to work together taking turns to save him."*

In parts of December and January, the Library-wide **Board Game Bandit: A Puzzling Heist** was set up at stations around the building. Groups of people worked together to solve four puzzles to catch the burglar and protect the Monopoly pieces from being stolen and lost forever; 86 people participated.

#### **Outreach**

In January Jessie and Debbie visited 28 groups (620 kids and their adults) at book talks, storytimes, and read-aloud visits at various Morton Grove schools and daycares. We also welcomed Jerusalem Lutheran students for their monthly unfacilitated visits. The Youth Services team also put together 7 book bags of 156 items for area schools.

#### **Professional Development/Training/Meetings**

In January the Youth Services staff attended the following professional development and training meetings in addition to our Youth Services meeting.

- Debbie watched Ryan Dowd's Naloxone/Narcan training video.
- Amy, Debbie, and Jess watched the Bloodborne Pathogens Awareness Training Video.
- Debbie attended the ECA's monthly meeting.
- Jess and Debbie completed the annual required Preventing Discrimination and Harassment Training.
- Debbie attended the RAILS Lapsit Leaders networking group meeting.
- Natalie attended the ILA Noon Network training on the use of AI in Libraries.
- Debbie attended the Advocate Childrens' Health "Reading is a Right" initiative meeting.
- Courtney watched the Booklist webinar, Chapter Books & Early Readers.
- Debbie attended a D69 Strategic Plan Focus Group meeting to discuss literacy in the schools.
- Debbie watched the lecture: Supporting African American Children's Reading Success with Julie Washington.
