LIBRARIAN'S REPORT

December 2025

Pam Leffler, Executive Director

Administration

Personnel

- New Facilities and Maintenance Manager, Tim Murphy, started on December 1. Unfortunately, full-time Facilities Assistant Ganka Kuneva has been out for most of that time since then for medical reasons, so not only has Tim had to do quite a bit of on-the-job training, but we remain short staffed. Tim and I have been discussing the long-term staffing needs of the Facilities and Maintenance Department and will be addressing those as soon as possible.
- Managers conducted annual reviews for their departments and made merit increase recommendations based on employee performance. As outlined in the 2026 budget, we did an across-the-board cost-of-living increase for all employees of 2%, with potential .25% merit increases up to a total 3% wage/salary increase.
- Other personnel news can be found in the Department reports.

Automation & Technology

- OSG, with onsite assistance from Business Manager Leighton Shell, as necessary, continues routine and general maintenance of our computers and other automation systems.

Legal/Financial/Policy

- Cook County tax bills were finally sent out on November 14 with a due date of December 15, 2025. Unfortunately, as of this writing, we have yet to receive any funds. I am closely monitoring our accounts and have instructed managers that all expenditures must be approved by me before they are made.
- We have been working with Sikich to prepare for the Library's annual audit.
- Various staff and I worked on wrapping up end-of-year activity (roll over of fund accounts in CCS for collection development, finalizing 2025 payroll activity, making wage/earnings/deductions changes for the first payroll of 2026, etc.)

Facilities

- Renovation of the multi-stall bathrooms on the main floor continues. Recarpeting in the Baxter Auditorium is scheduled to begin on Tuesday, January 6, 2026.

- The Garaventa lift in the Baxter Auditorium has stopped working. In order to have someone from Garaventa out to even attempt to diagnose the problem will cost the Library over \$1,000! Unfortunately, we have no choice as there are no other companies who service this lift. Once the issue has been diagnosed, we will decide on repair. I believe that how we provide full access to the Baxter Auditorium by users with mobility issues is something that the Board and next Administration will need to address within the next year or two. As the lift continues to age, the exorbitant repair costs may make long-term reliance on it less tenable.
- Building priorities for the first quarter of 2026 include getting an updated facilities assessment from SMC and installation of security cameras). We will hold off moving forward with these initiatives until the county funding situation has been rectified.

MGPL Adult and Teen Services

December 2025 Report

Melissa Mayberry, Adult and Teen Services Manager

Programming

This month, we had 30 programs with a total of 364 attendees.

For the Maine East High School Winter Reading event, Cailyn engaged with just over 100 students to promote the library and showcase our teen programs and services. This was our third time attending this event, and it continues to be a great opportunity to connect with students.

Our third Finals Exam Cram was our most successful event yet. We had requested two therapy dogs, but the Read to Rainbow organization generously sent four, which the students all absolutely loved. Pizza was also a major draw, and we saw teens talking, sharing notes, and even exchanging phone numbers. The evening fostered a strong sense of community and support, making it a truly outstanding program.

Although we offered slightly fewer programs this month, staff remained busy assisting patrons both in person and over the phone. This year we saw significant increases in both computer use and study reservations, highlighting the need for access to technology, quiet study spaces, and other one-on-one support. ATS staff remain committed to supporting these needs and delivering strong customer service.

MGPL Youth Services
December 2025 Report
Courtney Schroeder, Youth Services Manager

Programming

In December we held 49 programs for 1124 people.

As of December 31, we have 254 kids signed up for our Winter Reading Program, which will be counted in our program stats for January. Signups will continue throughout the program, which runs until January 31st.

This month, besides preparing for and beginning the **Winter Reading Program**, our staff have been busy both in the Library and outside of it. We welcomed the **Saber Guild** who led 30 kids in two Lightsaber trainings and built mini lightsabers out of glowstick bracelets.

Over Winter Break we hosted **Measner Magic** for an audience of 121 people as our last program in the Baxter Room before it closed for renovation. Staff members who hosted the event or snuck in to take pictures mentioned how impressed they were with the magic tricks performed. When even the parents and staff are entertained, you know it was a hit!

Throughout the month we also continued to provide our typical monthly programs of **Family Crafting**, **Family Engineering Night**, **Goofball Science Club**, various storytimes, and the early literacy program **Ready, Set, Alphabet**.

Outreach

In December Jessie and Debbie visited 53 groups (1264 kids and their adults) at book talks, storytimes, and winter reading promotion events throughout Morton Grove. We also welcomed Jerusalem Lutheran students for their monthly unfacilitated visits. The Youth Services team also put together 6 book bags of 138 items for area schools. This month's outreach included Debbie representing the Library at the Park District's Light Up the Park holiday event and Jessie getting students excited for our Winter Reading Program at schools around town.

Professional Development/Training/Meetings

In December the Youth Services staff attended the following professional development and training meetings in addition to our Youth Services meeting.

- Debbie watched the webinar, Unlocking Secrets of Language with the Planet Word Museum.
- Courtney attended the RAILS Managers of Children and Teen Services Northeast networking group meeting.
- Debbie attended the RAILS Emergent Readers & Lower Elementary networking group meeting.
- Debbie attended the Advocate Childrens' Health "Reading is a Right" initiative meeting.
- Debbie also watched a Live conversation with the creators of Sold a Story, a documentary series Debbie recommended to the department that many other YS staff have now begun to watch.
